## CPP40707 Certificate IV in **SECURITY & RISK MANAGEMENT**

**ASSESS, MITIGATE AND MANAGE RISKS TO ENSURE THE SMOOTH  
RUNNING OF BUSINESS OPERATIONS**

Security Risk Management is the identification, assessment and prioritisation of risks. This course covers the application of management techniques aimed at monitoring, controlling and minimizing risk and the potential impact of an unforeseen event on a government, corporation or small business.

This training is delivered with Victorian and Commonwealth Government Funding.  
Eligibility criteria apply.

## Who should take this course?

This qualification will give you the specialist skills to advance your career in the security industry and increase your potential to earn in a management or supervisor role. If you want run your own Security Business, this qualification is mandatory to apply for a Private Security Business Licence in the state of Victoria.

## Where will it lead?

This qualification provides the opportunity to gain the skills, knowledge and experience to operate as a:

- Security Industry Supervisor or Manager Risk Assessment Officer
- Site Manager or Regional Manager
- Running your own licenced security business in Victoria

## What will I learn?

This qualification is designed to build the skills and knowledge to be an integral senior team member in the Security Industry. Students are introduced to the leadership and management skills required to operate a successful security business, including important people skills and workplace health and safety. This course builds deeper knowledge about the assessment of risk and threats and places an emphasis on the higher level customer service and client relationship skills required to manage a client's risks and environment.

## Why choose us?

We are Victoria's largest and leading provider of training and professional development to the Security, Investigations and Public Safety sectors. Our staff and trainers have extensive experience in all aspects of the industry with considerable networks, relevant insight and hands-on field experience to share. Our quality instruction and compliance processes are admired for setting benchmarks in the industry.

## How long will it take?

This qualification is available to be completed over a range of delivery models, including weekday, evening and weekend. Delivery ensures that all Victoria Police - Licencing & Regulation Division (LRD) minimum face-to-face training hours are met for a Private Security Business Licence.

## Licencing

Once you have successfully completed this qualification, you can apply for your Private Security Business Licence with Victoria Police. Any applicable fees for licencing are payable to Victoria Police.
